Hi Liz,

Some scheduling challenges have come up on this end, so I wanted to check and see if it might be possible for us to please switch our call to later on Wednesday (sometime between 2 – 4 pm) or move it to Thursday (sometime between 10:30-11:30 or 2-3 pm)?

Thank you,

Michele

Hi Liz,

Yes, we can set up a time for you to chat on background with Lily Lee. Could we please push it back to Wednesday? She is currently pretty available between 9:30 and 4 that day.

Thanks,

Michele

Michele,

We have questions about what cleanup standards the EPA is using for superfund sites like Hunters Point. We will ultimately be requesting an interview but thought it would be helpful to have a phone call first.

Thanks,

Liz

Hi Liz ~

Sure. I wanted to check first and see if you can please give a little more detail about the types of questions you'd like to cover? And is this on background or on-the-record?

Thanks,

Michele

Hi Michele,

Can you help us set up a phone call with Lily Lee, EPA's cleanup manager for Hunters Point?

As you may know, NBC Bay Area has done a series of reports into the cleanup of the Hunters Point Shipyard. We have some questions about EPA superfund cleanup guidelines for Ms. Lee. I can make myself available anytime today, or next Monday and Tuesday for a quick call.

Thank you,

Liz Wagner
